

Our Eternity Gardens enable families to be connected forever, with space available for up to four standard size ash containers. Each circular garden is constructed of luxurious Imperial Red Stone with 24-carat gold leaf lettering. These gardens have been traditionally designed to express the rich heritage of the Chinese spirituality and eternal luck. Each ash garden is connected with lucky number 8 to ensure that life continues to flourish now and into the future.

In keeping with a uniform appearance in this section, this package includes the inscription of the surname in Chinese characters on the rear of the headstone in gold leaf lettering, along with the first bronze plaque with 6 lines of inscription. The cost of additional options are listed below.
