

Project update Macquarie Park Cemetery and Crematorium

Jewish lawn extension

As part of Metropolitan Memorial Parks' ongoing commitment to community, an extension of the Jewish lawn is being developed.

Project overview

This extension project will create an additional 785 single spaces for the Jewish community, with approximately 498 lawn monumental and 287 full monumental burial plots.

Works are due to commence on Monday 7 September, taking approximately 12 weeks to complete.

Visitor access

Families can still visit loved ones in surrounding areas, however, access to some memorial locations may be limited. Please contact the Administration Team before visiting for access information.

Traffic changes

Detours may be in place around the work site to help manage traffic safely. Please follow any signage and directions when travelling through the area.

Service disruption

Our Operations and Customer Services teams will work closely with Sydney Chevra Kadisha and families to minimise impacts while ensuring burial services in surrounding areas continue safely and respectfully.

Contact us

Please contact the Macquarie Park Cemetery and Crematorium administration office team for more information.
